to

## ***ENRICO MARTELLOSI***

Who took part as a *Delegate* in the 9th Regional Session of EYP Italy, Udine 2015, European Youth Parliament's event, which took place in Udine, Italy, on the 8th of May 2015.

PEG, founded in 1994, is an independent organisation part of the European Youth Parliament/Schwarkopf Foundation. PEG promotes European identity and dimension in Italian secondary schools, by giving students the chance to participate in a formative experience of parliamentary debates on issues of International and European interest. PEG turns to young European citizens to raise awareness and to respect the unique characteristics and culture of the other Member States.

Thanks to their active contribute at the Regional Session, the participants have acquired a wide range of skills, such as working in group, fluency in foreign languages, intercultural communication and competence in regards to European Union policies. Therefore, the attendants have made an act of European citizenship.
