INVITATION

CFMUNESCO 2015
26th – 28th November
Cividale del Friuli, Italy

Dear Sir/Madame,

It is our pleasure to invite you and your school to the second edition of the Cividale del Friuli Model United Nations (CFMUNESCO). The Conference will take place from Thursday November 26th to Saturday November 28th 2015, at our school, the Convitto Nazionale Paolo Diacono. As for our first MUN Conference, the theme will be : *"To Protect and Preserve"*.

Since 2006, our school has taken part in several Models United Nations worldwide and the students involved have demonstrated a dynamic and pro-active attitude towards these activities, achieving brilliant results and expertise. Last year we decided to accept the great challenge of organising our own Conference and became active member of the group of MUN hosting schools.

The success of CFMUNESCO 2014 was beyond expectations. Students from all over the world reached our town and enjoyed our first simulation of the United Nations decision-making processes and debates. Therefore, we look forward to meet you in the CFMUNESCO 2015.

The official language of the Conference is English and each delegate will have the chance to represent a country in one of the following UN bodies: Security Council, UNESCO, Environment, Disarmament and Human Rights Committees. Schools are welcomed to send their students and arrange country delegations of two to five students each.

We plan to welcome approximately 180 delegates.

CFMUNESCO will pay special attention to beginning delegates with little or no experience and each student will be supported in order to have the chance to actively participate in the debates.

The UNESCO Committee will focus on issues concerning the promotion of education, science and culture. The Human Rights, the Disarmament and the Environment Committees will host a number of 35 delegates each and will enhance the importance of protecting and preserving the respect of fundamental rights and freedoms, a peaceful coexistence and sustainable forms of life respectively. In all abovementioned Committees a resolution-based debate will take place, thus delegates are kindly invited to arrive prepared to the conference. The Security Council will encompass 15 better-experienced delegates and the debates here will occur on a clause-by-clause basis.

The venue of the CFMUNESCO 2015, Cividale del Friuli, is one of the most picturesque Italian cities and in June 2011 was classified UNESCO World Heritage Site for its cultural, historical and artistic relevance. The town is located in the North-East of Italy, close to the borders of Slovenia and Austria, about 100 km from Venice. All participants to the Conference will have the opportunity to discover Cividale del Friuli with its unique coalescence of Roman, Lombard and Medieval features.

The participation fee is €200 per school (non-refundable) and €85 per student (delegates, chairs and Student Advisors). The fee includes admission, lunches, a delegate kit (badge and written stationary) and entrance to the parties and social events organised. Advisors (teachers) are exempted from the fee.
